Dear Friends:

We would like to introduce you to the Greater Cincinnati Chapter of Fishing Has No Boundaries. The enclosed brochure explains our goals and program. This year our chapter will be conducting our 25th annual fishing event for both children and adults with disabilities at Cowan Lake on May 21 and 22, 2022.

The number of participants continues to grow each year as the community becomes more aware of our program. Consequently, we need to find additional financial support, door prizes, pontoon boats, foods, and volunteers to help with our upcoming event. If you or your organization is able to help us, please return the enclosed response sheet indicating your level of involvement. We are a non-profit 501-(C)-(3) organization, and consequently all donations are tax deductible. All contributors will receive a statement listing their donation and a copy of our 501-(C)-(3) form for tax purposes.

If you would like additional information, please call our chapter president Bill Reichert at 513-671-3343 or contact him by e-mail at sponsors@fhnbcinti.com.
